

BONDI ORAL SURGERY

EMAIL US

I'm **Dr. Merel Jacobs**, and I'm pleased to introduce myself as the new Oral Surgeon consulting at Bondi Family Dentist.

With many years of experience in oral surgery, I'm passionate about providing gentle, thorough care to patients needing procedures such as wisdom tooth removal, complex extractions, and dental implants. My goal is to support both patients and referring practitioners with clear communication, expert care, and prompt appointments.

Now Accepting Referrals

I welcome referrals for patients requiring oral surgery. I work closely with general dentists to ensure a smooth, collaborative experience and optimal outcomes for patients.

If you'd like to discuss a case or send through a referral, I'd love to connect.
